

# Naturally detoxify your cells with All Cleanser.

Capsule herbs that activate your natural cleansing canals

## What is All Cleanser?

All Cleanser is a powerful formula used to detoxify the tissues in the body. With 27 of the best extracts from both plants and herbs, All Cleanser from NATURA captures the most effective way to activate the body's cleansing channels: kidneys, liver, intestines, lungs, lymphatic system and skin.

## Benefits

- Activates the body's cleansing system
- Eliminates accumulated toxins
- Helps clean the colon
- Purifies the blood and the lymphatic system
- Boosts energy

## Main Ingredients

**Cáscara Sagrada:** Cascara sagrada is a natural laxative made from the reddish-brown bark of a tree native to the Pacific Northwest. It cleanses the colon by acting like a mild, natural laxative beneficial for both constipation and parasites.

**Burdock Root:** Burdock Root is one of the foremost cleansing herbs, providing nourishing support for the blood, the liver, and the natural defense systems. It is known to purify the blood, improve the liver, bladder functions, and stimulate the immune system.

**Damiana Leaf:** Damiana is a small shrub with an aromatic leaf found on dry, sunny, rocky hillsides in Texas, Southern California, Mexico, and Central America. It is known to stimulate the intestinal track and strengthen endocrine system.

**Milk Thistle:** Milk thistle is a plant from the aster family. The active extract of milk thistle cleans and protects the liver, stimulates the production of new cells and boosts the immune system.

**Pau D'Arco Bark:** Pau D'Arco bark comes from a tree that makes its habitat predominantly in Argentina and Brazil. It purifies the blood, and has potent antibacterial properties defending the body against infections and allergies.

## A Balanced Diet

Most people eat well but do not nourish, because they have a unbalanced diet. A nourishing balanced diet is essential to maintain a clean body.

A balanced diet contains all the vital elements for our body: carbohydrates, proteins, fatty acids, vitamins, minerals, enzymes, Nucleic acids, fiber and water in appropriate quantities and proportions.
