

Cell Defense (60 capsules)

Cell regeneration: The fountain of youth in Cell Defense

The best micronutrient and antioxidant formula

What Is Cell Defense?

Cell Defense combines 40 of the finest vitamins, minerals, amino acids, coenzymes, hormones, with pure plant, fruit and seed extracts. This mixture creates a very effective formula that neutralizes free radicals in the cells.

It contains Bilberry which is a shrubby perennial plant found in the mountains and forests of Europe and the United States. Its extract is antioxidant, which keeps the capillaries walls flexible, slows down the aging process and treats inflammations in the body. Also contains Green tea which is a "true" tea that has undergone minimal oxidation during processing. It may prevent cellular mutation, protect cells from radiation, control cholesterol and glucose levels.

Major Benefits

- It contains 48 natural antioxidants
- Protects cells from free radical damage
- Oxygenates and purifies the blood
- Prevents premature aging
- Improves skin appearance
- Strengthens the immune system
- Regenerates organ tissue
- Improves nervous system function
- Helps control stress
- Improves vision

Note: May cause drowsiness, it is not recommended to drive a vehicle or operate any machinery or activities that requires one to be alert.

Main Ingredients

Ginkgo Biloba: The extract from the dried leaves contains antioxidant flavonoids, which improves blood circulation and memory. Also known to prevent blood clots and damage caused by free radicals and helps improve memory, perception and learning.

COQ10: Antioxidant coenzyme that boosts energy, stimulates the immune system and protects the cardiovascular system.

Lycopene: Lycopene is an open-chain unsaturated carotenoid that imparts red color to tomatoes and other plants and fruits. It neutralizes free radicals, blocks production of damaging cholesterol and reduces the risk of macular degenerative disease.

Grape Seed Extract: Grape seed extract is typically extracted from red grapes. This concentration of proanthocyanidins protects the nervous system and may slow down the aging process.

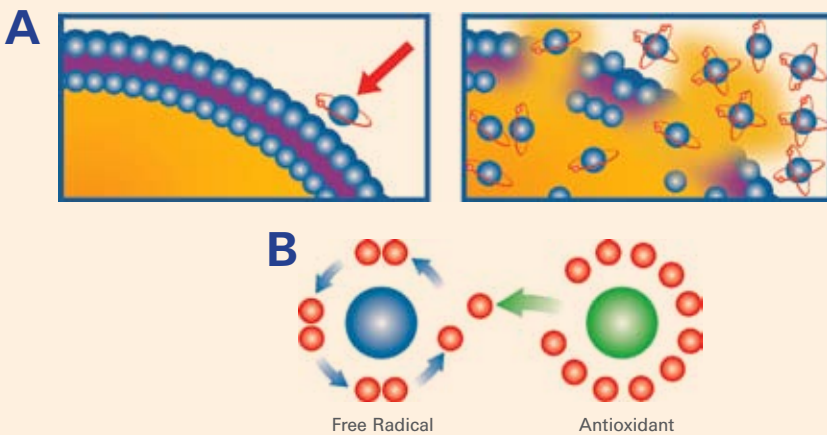

Did you know...

It has been scientifically investigated the role of antioxidants in cardiovascular diseases in many types of cancer, AIDS and others associated with the aging process, such as cataracts or nervous system disorders? The results show that Antioxidants block free radicals that modify the bad cholesterol, reducing cardiovascular risk. Low levels of antioxidants are a cancer risk factor.

How Does Cell Defense Work In Our Bodies?

Cell Defense fights oxidative stress, which is an attack by free radicals with abnormal oxygen molecules trying to capture its lost electron by “robbing it” from other molecules. This initiates a chain reaction causing irreversible damage to cells (See sample A). Antioxidants fights free radicals and neutralizes them by releasing an extra electron. (See sample B)

How To Use

Take 2 – 4 capsules daily with a glass of water. During times of stress, take up to 6 capsules a day. To sleep better take 2 capsules before going to sleep.

Supplement Facts

Serving Size 2 Tablespoons (30 ml)
Searvings per Container: 30

		%D.V.*
Vitamin A (from Beta Carotene)	5,000 IU	100
Vitamin C (as Ascorbic Acid)	60 mg	100
Vitamin D3 (as Cholecalciferol)	400 IU	100
Vitamin E (as dl-alpha Tocopheryl Acetate)	30 IU	100
Vitamin K (as Phyttonadione)	100 mcg	125
Vitamin B1 (from Thiamine Mononitrate)	3 mg	200
Vitamin B2 (as Riboflavin)	3.4 mg	200
Niacin (as Niacinamide)	30 mg	150
Vitamin B6 (from Pyridoxine HCl)	4 mg	200
Folic Acid	200 mcg	50
Vitamin B12 (as Cyanocobalamin)	60 mcg	1,000
Biotin	30 mcg	10
Pantothenic Acid (from Calcium D-pantothenate)	10 mg	100
Calcium (from Dicalcium Phosphate)	200 mg	20
Phosphorus (from Dicalcium Phosphate)	75 mg	8
Iodine (from Atlantic Kelp)	150 mcg	100
Magnesium (from Magnesium Oxide)	50 mg	13
Zinc (from Zinc Ascorbate)	15 mg	100
Selenium (from Selenium Proteinate)	75 mcg	107
Copper (from Copper Ascorbate)	1 mg	50
Manganese (from Manganese Amino Acid Chelate)	10 mg	500
Choline (from Choline Bitartrate)	25 mg	5
Natura™ Proprietary Blend 231 mg		
Ginkgo Biloba Leaf		
Siberian Ginseng Root		
Grape Seed Extract (85% Polyphenols)		
Pine Bark Extract 32%		
Turmeric Root Extract (95% Curcuminoids)		
Citrus Bioflavonoids (from Citrus Fruit Peel Bioflavonoids Complex)		
Astragalus Root		
Bilberry Fruit Extract 4:1		
Capsicum Fruit (Cayenne Pepper Herb)		
Green Tea Leaf Extract (50% Polyphenols)		
Hawthorne Berries Extract 4:1		
L-Cysteine Base		
Rosemary Leaf Extract 4:1		
Bee Pollen		
Co Enzyme Q10		
L-Carnitine Base		
L-Tyrosine		
Melatonin		
Lycopene (from Lycopene 5%)		
Lutein (from Lutein 5%)		
Zeaxanthin (from Zeaxanthin 5%)		
Inositol	5,000	
Germanium Sesquioxide	60	
Boron (from Boron Citrate)	400
