

ThermoFit (60 capsules)

Your best way... to burn fat: Thermo Fit

Fat burning herbal based formula

What Is Thermo Fit?

Thermo Fit is a natural formula with no undesirable side effects that helps eliminate fat from our bodies.

It is a thermogenic formula containing a full gamut of natural substances. It increases metabolism, controls the urge to eat while reducing the desire for sugar.

Thermo Fit fights obesity with an unique formula. Converts fat into glucose which then the body turns into energy. Not only does it boost metabolism it also activates the kidneys to eliminates fluids build up and helps control appetite.

Major Benefits

- Increases metabolism to burn fat and boost energy
- Controls appetite and sugar cravings
- Detoxifies the fatty tissues in the body
- Helps build muscle mass

Main Ingredients

Chromium Picolinate: Chromium is an essential trace mineral for the human body. It's important in processing carbohydrates and fats, and it helps cells respond properly to insulin. It builds muscle, prevents and treats diabetes, and promotes weight loss.

Guarana Seed Extract Guaraná:

is an evergreen vine found Amazon rain forests. The guarana seed extract is great for maintaining stamina. It also decreases your appetite, improves your state of mind and helps improve breathing

Vitamin B6:

As part of the B group vitamins, B6 is required for both mental and physical health. It is required for the balancing of hormonal changes in women as well as processing proteins, fats and carbohydrates.

Hydrangea Root:

As a common shrub, hydrangea has solvent properties. It contains chromium, manganese, selenium, silicon, flavonoids, resins and saponins. Recommended for Kidneys and Prostate health.

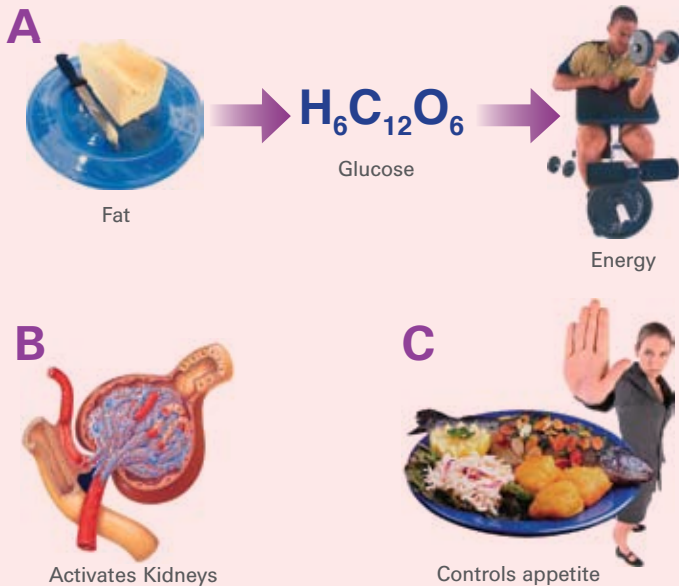

Did you know...

The first step to know whether if there is obesity, is knowing your Body Mass Index (BMI), and for this, you will need a tape measure and know how many pounds you weight. A person is considered obese when the body mass index in adults is greater than 25 units. Previously considered overweight person as someone who enjoyed good health, however, it is now known that Obesity has multiple effects on our health.

How Does Thermo Fit Work In Our Bodies?

Many Americans are overweight and scientific studies show that obesity may lead cardiac illnesses, hypertension, strokes and even cancer. Moreover, excess fat not only increases the risk of illnesses but also accelerates the aging process and premature death.

How To Use

Take 1 – 2 capsules in the morning and 1 – 2 capsules mid-afternoon with an 8 oz. glass of water.
